“Hindsight & Forethought – COVID-19 & Infection Prevention”

December 16, 2021 – CHI/Optima Webinar

Faculty:

Ann Marie Pettis, RN, BSN, CIC, FAPIC

Your Title/Position: _____

Objectives: At the end of the presentation, the participant should be able to: 1) identify at least 2 infection prevention practices that were successful during the COVID-19 pandemic and discuss how they might be adapted for the post-acute COVID-19 period; 2) discuss the role of antibiotic and diagnostic stewardship in ongoing pandemic preparedness and health care associated infections; 3) contrast several strategies that worked well during the COVID-19 response with those strategies which did not; 4) discuss unique challenges experienced in other healthcare settings such as ambulatory and long term care during the pandemic; and 5) outline the challenge experienced regarding the prevention of health care associated infections during the pandemic.
